

## LMHT-1ZBS Light Detector with Temperature and Humidity Sensor

## 

- Controls the on/off status of lights and appliances based on lighting, temperature, and humidity conditions
- Spectral response mimics the human eye's perception of light
- Monitors visible light sources with built-in temperature and humidity sensor
- Compatible with other manufacturers' ZigBee products

## **Specifications**

•	
Battery type	CR123A 3V lithium battery x 1
Battery life	2 years
Communications protocol	ZigBee Pro HA 1.2
Frequency	2.4 GHz band
Receiver sensitivity	-101 dBm
